Show Secretary's Report Bradford Small Animal Show - Jan 2022

I would like to thank the Committee of 'The Bradford' for inviting the National Hamster Council to hold a show within the confines of their Championship Show. I would also like to thank Fraser Avill for setting up the tables and for the last minute organising of the schedule. I would also like to thank the show's President Mr Phil Hall for donating a prize of £50.00 for the BIS winner.

We had a good entry of 91 Syrians for our judge Lynne Blair who was assisted on book by Andrew Bryan and pen by Anastasia Blair. The entry for dwarfs was rather small with only 17 animals booked in to show; Susan Washbrook was our judge and David Baglin and Victoria Holt book and pen stewarded today.

We had a lot of newer exhibitors and I had a staggering 34 hire pens requested. Many thanks to the Northern Hamster Club, Fraser Avill, Susan Washbrook and David Baglin who loaned their pens. This ensured that the hamster section looked polished and professional at this highly prestigious show. I would like to thank those that loaned pens for emptying them but please remember that the pen label should also be removed as well as the substrate and vegetable.

Best in Show Syrian was a long haired black eyed cream female and Reserve Best in Show was a short haired red eyed cream male both owned by Tristar. Best in Show dwarf

was a normal winter white male and Reserve Best in Show Dwarf was a pearl winter white male, again both owned by Tristar. The Syrian was awarded overall Best in Show.

Jean Tye – Show Secretary
