Show Secretary's report Sheffield Show 23 April 2023

A dry but mainly dull day for our first Northern Hamster Club show of the year. Loads of cars turned up as I arrived and I thought our local publicity had paid off with loads of entries for the pets class! But then found that it was one of the local children's football teams turning up for their Sunday morning match on the school playing field adjacent to the hall!

We had 70 Syrian, 38 Dwarf and 8 pet entries for our judges, Anastasia Blair, Andrew Bryan and Emily Howard - ably assisted by book stewards Victoria Holt and Jean Tye. Thank you to our pen stewards Emma Howard and Susan Washbrook who had the important task of making sure all the right hamsters were in front of the judge at the right time and putting them back on the tables in point order so we could do the duplicate class judging efficiently. Can I also thank one of our Junior members Freya Burland who helped with the pen stewarding at this her first hamster show.

Thank you to Wendy and Mike Palmer for their sterling efforts in the kitchen and their innovative approaches to frying eggs without a frying pan and making jam sponge from scratch without an oven. Also thank you to Lynne Blair, Emma Jewsbury and Catherine Mason who kept the tombola, raffle and hamster rehoming sections going.

Congratulations to all the winners and particularly to Moonstone Hamstery for Best in Show Syrian with a golden shorthaired, Oswalds Hamstery for Reserve best in Show with a shorthaired cream, and Tristar for Best in Show and Reserve Best in Show Dwarf with an albino campbell Russian and a pearl winter white Russian. Syrian Best in Show Junior and Reserve Best in Show Junior went to Chloe Cato – Well done Chloe.

It was good to meet several of our newer members during the day, some who had travelled from as far as London. We were also able to renew our acquaintance with Michael Burland who used to show hamsters around 30 years ago, so might be a name some of us oldies might remember? and who brought his daughter Freya to show her hamsters. Please everyone - do feel you can collar us at shows to explain things to you about the show process or your hamsters and indeed we are always willing to answer questions at any time not just at shows. Sometimes we are very busy but really do want to be helpful as you navigate what coming to a hamster show is all about.

We look forward to seeing many of you at our next shows at Otley on 20th May and Emley on 5 August.
