Emley Show Secretary's Report 5th August 2023

Emley show this year was unfortunately a bit of a damp one! Whilst quite a quiet one with the public we had a good turnout of exhibitors and lots of interest in the hamsters. I would like to thank all who helped out on the day with running our tombola, rehoming, and chatting to and informing the public, in particular Emily Howard and Margaret Donnelly. Every little bit of help we get is invaluable and hugely appreciated! I would also like to say a big thank you to our judges Susan Washbrook and Victoria Holt, book stewards Jean Tye and Lynne Blair, and pen stewards Chloe & Michael Cato and Amy Van Boolen. A big congrats to all of our winners - BIS Syrian went to Moonstone, RBIS Syrian Oswald's Hamstery, Junior BIS and Junior BIS Syrian to Chloe Cato. BIS and RBIS Dwarf went to Lilliput. Finally I would like to congratulate Victoria Holt on passing her final Dwarf judging and becoming a certified Dwarf Judge!

Thanks all who attended and looking forward to seeing you at the next show,

Anastasia Blair, Show Secretary

Judges Report – Dwarfs: Emley Show (Northern) 5th August 2023

Despite the not so good weather at Emley we had a good turnout of entries and some lovely dwarf hamster. It was lovely to see the opal Campbells in number and some variety of colours in the Campbells in non-standard too. I always dread judging robo's especially at outdoor shows and have a box at the ready, but I have to say they were ever so sweet and were easy to handle and a pleasure to judge. Some of the Winter Whites however had an attitude and I was thankful for the box.

This was also my final judge training which I am pleased to say I passed, so I am now qualified as a dwarf judge, so I would like to thank everyone who has assessed me.

Class winner were:

Normal Campbell (Pen D101) Average type, slight pale top coat, slight long nails. 1 entry.

AOB Agouti Campbell (Pen D205) Opal - clear arches, good dorsal stripe, good type and nice colour. 6 entries, BIS, COM

Self-Campbell (Pen D301) Dove – slightly bulgy eyes and long nails, nice fur . 1 entry

Mottled Campbell – no entries

Normal Winter White (Pen D502) Slightly pale and patchy colour, 3rd arch blurred, slightly short dorsal, head nice. 7 entries

Sapphire Winter White (Pen D 601) Patchy colour, slightly bulgy eye, uneven arches, ok body shape. 5 entries.

Pearl White Whites (Pen D702) small amount of staining under, moult line? Even markings, not too dark, nice type. 9 entries.

Normal Chinese (Pen D804) Rich colour, nice type, slight short dorsal stripe. 8 entries.

Dom Spot Chinese (Pen D902) Nice even spots, pretty Hamster, nice type. 6 entries.

Black Eyed White Chinese (D1004) Nice clean white hamster and nice type. 4 entries

Normal Roborovski (Pen D1102) stain on scent gland, patchy colour, nice type. 2 entries

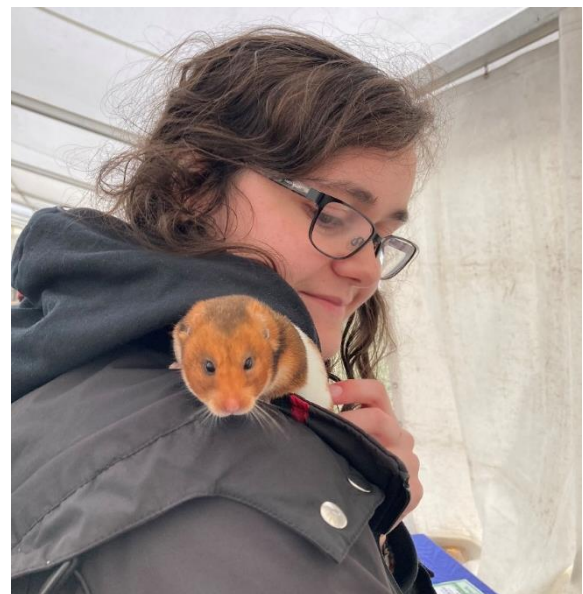

Non-Standard (Pen D2102) Black Platinum/silver Campbell- really lovely type, nice head, clean hamster. 11 entries

The Northern Hamster Club would like to congratulate Victoria Holt on passing her final assessment as a Dwarf species judge and are pleased to announce she is now a fully qualified judge for both Syrian and Dwarf hamsters. Judge training requires a large amount of commitment and practice, and we are grateful to members who undertake this. Details of judge training can be found in the Northern Constitution for anyone interested.
