Real London Show 14th September 2024

Show Secretary's Report

The Real London Show is a Small Animal Show held at the Bracknell Leisure Centre. It comprises primarily of Cavy shows with small areas allocated for hamsters, mice, gerbils and a few commercial stalls.

We arrived nice and early to an already very noisy and bustling hall and attempted to locate the hamster area. All tables appeared to be already occupied but we eventually found someone in charge and evicted the mouse fancy from our area so we could set up. It was a bit of a squeeze with no room for pen stewards or a dwarf book steward but we managed.

Both judges were changed at short notice with Wendy Palmer standing in for Sue Parker as Syrian judge and Andrew Bryan judging dwarfs after some confusion between the Real London and London Champs. It was probably just as well Andrew arrived ready to judge as Mark Harris was kept very busy with sales.

It was a relatively small show with 73 Syrian and 38 dwarf entries, but given the lack of space that was perhaps a blessing! As the pet entries arrived we were further challenged to find space for 10 more carriers - breathe in Andrew! A big thank you to Theresa Howell for judging the 10 pets.

Best in Show Syrian was a long-haired female from Alpha Stud and Best in Show Dwarf was a Chinese dominant spot from Lilliput Hamsters. Congratulations to you both.
