# Emley Show, 3<sup>rd</sup> August 2024

## Show Secretary's Report

Emley was a bright and beautiful day. As we had already been up to the venue the day before to set up everything was ready for us to go. Everyone arrived in good time and the judging commenced. Thanks to the Emley Show Society for inviting us to join them.

The show was packed out, with the fabulous weather encouraging people to attend. The public were, as usual, fascinated by the hamsters. Margaret and the very gentle and patient Aesop, a Golden Syrian, allowed the children to stroke a hamster which they loved. There is so much to see and do at this show and it was very much enjoyed by the people who were there. Lovely to see so many smiling faces.

Thanks must go out to the people who offered help on the day. It's really important that you don't just come and leave your hamsters and go off to enjoy the day! Everyone should get the chance to do that so it's great when we get offers of a turn on the tombola, pen stewarding and general talking to the public. Please don't wait to be asked.

Huge thanks to Judges and book stewards, Anastasia Blair and Emily Howard on Syrians and Susan Washbrook and Jean Tye on Dwarfs. We couldn't do it without you. To Molly and Anna on the tombola all day who barely took a short rest you were great and we raised a fantastic £130! Margaret, Wendy and Anne all stepped up to flit between various tasks as needed so thank you too. Thank goodness Margaret kept me sane during a sudden surge of cards to be written up!

Congratulations to the winners with A Dray & A Pohl Dray taking the BIS Syrian with a Melanistic Yellow named Mason and Tristar RBIS with a banded Sable, Tristar Estel. In Dwarfs BIS went to Dawson's Hamstery with a Pearl WW named Blaze and RBIS to Tristar with a Normal WW, Tristar Tyler. In Juniors BIS Junior Syrian was awarded to Coco's Mad Hamstery and BIS Junior Dwarf was Oli Goodall-Travis.

Although I didn't win any hamster rosettes with a family member judging I did manage to win 4<sup>th</sup> in the Craft Photography section with my 'Funny animal photograph' of Crystal our Syrian hamster!

## Syrian Judge's Report

Emley Show was my first as a fully qualified Syrian Judge. It was a beautiful day and everything ran smoothly thankfully! I would like to give a huge thank you to Emily Howard who was both pen and book steward for me and a massive help.

There was some lovely hamsters on the bench and some unusual colours that you don't see very often which was very interesting. My Best In Show went to A Dray & A Pohl-Dray with a beautiful chunky melanistic yellow boy, and my Reserve went to Tristar with a lovely sable banded girl. Congrats to all class winners, with my comments found below.

**SH Golden** (Pen 102) Nice head, lacks ticking. There was a distinct lack of ticking on all goldens on the bench this day! 72, 11 entries.

**SH Cream** (Pen 201) BEC, slightly woolly coat, slightly uneven colour over shoulders. 73, 6 entries.

**SH AOC Male** (Pen 308) Melanistic Yellow. Lovely type, good size, nice head. **BIS**. COM, 77 ½, 7 entries.

2<sup>nd</sup> Place: (Pen 304) Copper. Nice richness, Nice head and face, slightly thin fur on face. COM, 74.

**SH AOC Female** (Pen 402) Copper. Nice richness, nice body and head. Small light spot. Thin belly fur. 73 ½, 5 entries.

**SH Pattern** (Pen 509) Good richness of colour, needs more tort on front half. Balding neck. 72, 7 entries.

**SH Satin** (Pen 601) Golden. Nice head & type. Good richness but lacks ticking. 73 ½, 5 entries.

**LH Cream** (Pen 701) BEC. Good size & type, nice richness of colour. Slightly thin belly fur. Slightly sticky eye. COM, 74 ½, 3 entries.

**LH Self** (Pen 803) Dove. Nice head. 71, 2 entries.

**LH AOC Female** (Pen 1001) Golden. Slightly fat. Lacks ticking. Slightly thin belly fur. 68 ½, 1 entry.

**LH Patterned** (Pen 1105) Sable Banded. Nice band, nice dense coat. **RBIS**. COM, 76, 2 entries.

**LH Satin** (Pen 1201) Golden. Sticky eyes, no skirt, lacks ticking. 67 ½, 2 entries.

**Rex** (Pen 1302) Black. Deep colour, no browning. Damaged toenail. 70, 2 entries.

**Non-Standard** (Pen 2303) Nice head, dense coat. 54, 3 entries.

One last point – I did notice numerous hamsters on the bench who had messy/dirty coats including dirt or bedding stuck in the fur, which I unfortunately had to dock condition points for. This can easily be fixed with a quick once-over with a toothbrush or comb so make sure you're checking your animals before you put them on the bench – it could be the difference between a rosette or not!

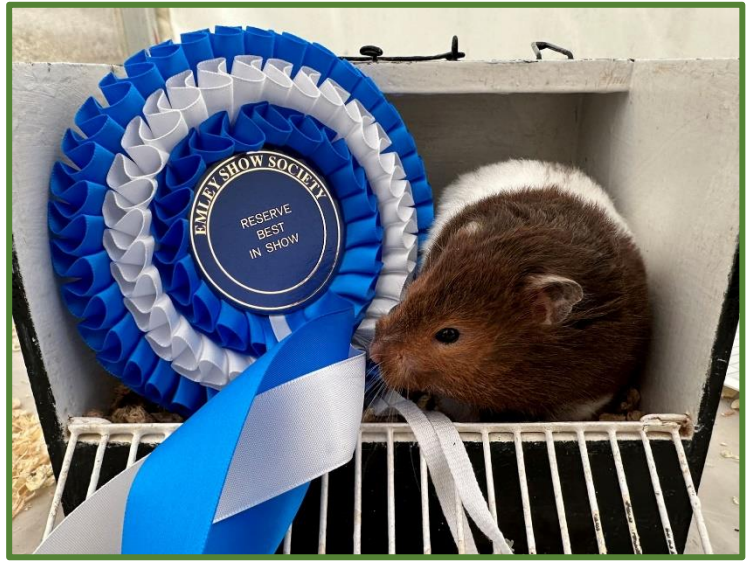

Congrats again to all the winners.
